Blacktown Meals On Wheels July2020

COVID is on the raise again, so please remember to wash and sanitizer your hands after every drop and if you can help it do not go into the client's homes. If you have any concerns come and see the staff.

Take Care

Mt Druitt Office Closure

After a lengthy review we have decided to close the Mt Druitt site later in the year, due to only using the site twice a week and the decline in clients in the area. We welcome the Mt Druitt volunteers and clients who have graciously agreed to come to the Blacktown site for Meal Deliveries and Social Days once we re-open them. Please join with us in making them all feel welcomed, together we can make Blacktown Meals on Wheels a positive supportive service for our wonderful clients.
