

Decoration ideas for the Holiday Season

Add a unique ornament to your tree this year with these easy to follow, step by step instructions for a Christmas ornament made of cupcake liners.

1. Start with collecting your cupcake liners - I used 12.

2. Flatten and fold the cupcake liners in half

3. Glue only the center of the cupcake liners

4. Reflatten the liners on the glued area

5. Glue the edges (top and bottom) of the outside part of each cupcake liner to the next one

6. Glue the first and the last cupcake liner the same way as above to make a round ornament piece

Decoration ideas for the Holiday Season

7. Optional – add glitter to the ornament

8. Lastly, glue a ribbon or thread on top
