

# Your Fundraising Guide

# Thank you

Thank you for taking part in our 'Cuppa for a Cause' event, raising funds for Meals on Wheels.

Your fundraising will directly support financially disadvantaged Meals on Wheels clients in your own local community. It will also contribute to training programs and initiatives for volunteers and staff in NSW.

# Why Fundraise for us

Meals on Wheels receives less than 30% of its operational funding from the government, so we rely heavily on donations and fundraising activities to continue to raise the profile of Meals on Wheels in the Community as well as service the needs of our clients, volunteers and staff at Services.

# Share the love

Meals on Wheels help thousands of Australians stay in the comfort of their own homes for as long as possible. For over 70 years we have provided more than just a warm meal, and we'd love to keep it that way.

# Make tea, solve problems...

Imagine if the Montagues went over to the Capulet's house and surprised them with a nice hot pot of tea – that whole Romeo & Juliet debacle would have had a much happier ending.

We all know a good cuppa can make everything right, so put the kettle on and share a cuppa with a friend, a neighbour, or in the office, and help Meals on Wheels NSW make sure that thousands of clients can continue to enjoy a cuppa in their own homes.
